About Us

A warm welcome, an inviting atmosphere, a great start to any holiday, midweek or weekend break.

South Downs Holiday Village is a 'small and friendly' location for adults.

We are all here to make sure that you have everything you need, when you need it and we have a reputation for going out of our way to help.

We're easy to find! South of Chichester in West Sussex, Bracklesham Bay sits on the same peninsula as Selsey Bill, looking across the Solent to the Isle of Wight.

The area is very flat so access is good all around the site. The chalets are all ground floor, but we have bedrooms in the hotel which are reached by 21 stairs - we do not have a lift.

Accommodation

Set in picturesque grounds our chalets are all within easy reach the main complex and the hotel accommodation is situated on the first floor

Our chalets and hotel rooms are all equipped to the same standard and are all en-suite with bath and/or shower. All have remote-controlled colour televisions and tea and coffee making facilities and a room safe.

We have a number of highly praised fully adapted chalets for guests with mobility difficulties, including those confined to wheelchairs.

We also have spacious 'Premier Suites', eight of our two roomed chalets have been upgraded to include a lounge area and flat-screen digital TV with Freeview.

Food and Drink

Top quality ingredients and local fresh produce at different times of the year allows our seasonal menu to always have an excellent variety of choice

During Summer we are mainly half-board, with breakfast and dinner being served at your table and lunches can be purchased at very reasonable prices in our lunchtime Bistro.

During the rest of the year we are full board.

We have an excellent reputation for the quality of our food and the variety on our menu, as well as our ability to cater for most dietary requirements.
